10:00 AM

B. WCHA Summer Road School – June 2-4, 2025

Kelley presented the draft agenda for the Summer Highway Conference. The final agenda will be provided to conference attendees.

C. City of Stanley Future Bike Path

Kelley informed the committee that the City of Stanley has secured a Transportation Alternative Program (TAP) grant for the development of a bike path along CTH O by Chapman Lake. The proposed project will include 4-foot-wide paved shoulder bike lanes on both sides of the roadway and will require coordination with the County.

D. County M Bridge Funding

Kelley reported that efforts to secure funding for this project are ongoing. He remains in contact with local legislators to ensure the project stays on their radar.

E. County T Corridor Expansion Funding

Kelley reported that the same funding efforts apply to the CTH T project. He has prepared detailed notes for the incoming Highway Commissioner to support this ongoing progress. Project Manager Anderson is familiar with the current status of Kelley's efforts and will be available to assist as needed.

F. Farming Operations in County Right-of-Way

Kelley addressed the issue of farming within the County right-of-way. The Highway Department will be identifying affected locations, and property owners will be notified of illegal encroachments. Additional staking may be needed to assist farmers in planting outside the County's right-of-way. Kelley and Flater both emphasized the importance of maintaining a positive relationship with the local farming community. This process would only pertain to the County Roads.

G. Highway Department Funding

Kelley discussed the ongoing need for increased funding for the Highway Department, as well as the challenges currently affecting access to those funds. He reviewed reports that were shown to the Highway Committee and County Board in 2019 thru 2024. He stated that the Highway Department's only increase in property tax levy funds each year is 25% of the department's wage and benefit cost increases, leaving the remaining 75% to be covered by the department. Detailed analyses in 2019 and 2021 showed that the department is approximately \$4M per year under-funded to sustainably maintain the County's highways and bridges. He stated that the department staff should not need to repeat such an in-depth analysis to justify the need for additional funding as nothing has been done to address the issue since then. Albarado spoke about the necessary legislation to allow the County to implement a 0.5% sales tax increase for transportation. He stated that the future legislation proposal could require Counties to pass a referendum before implementing the tax.

Rohmeyer left the meeting at 10:40 AM

Kelley shared the final audited 2024 year-end financial report. There was discussion on year end fund balances, along with equipment revenues and expenses.

C. Work Zone Safety Awareness Week April 21-25, 2025

Kelley informed the committee members that this week is National Work Zone Awareness Week. He also shared the Highway Department's Facebook post, which reminds the public to use caution in work zones.

D. WCHA Summer Road School June 2-4, 2025

Kelley invited the committee members to the upcoming Summer Highway Conference.

E. Spring Weight Restrictions

Kelley reminded the committee that spring weight restrictions ended on April 14, 2025. Several challenges from this year were discussed, along with possible enforcement measures for next year.

F. County M Bridge Funding

Kelley gave an update after his recent trip to Washington D.C. for the annual TDA Fly-in. Kelley met with staff members from Senator Baldwin's office and Representative Tiffany's office, as well as Representative Van Orden and WisDOT Secretary Kristina Boardman. Kelley has submitted a request for \$12M of Congressionally Directed Spending (CDS) funding to Senator Baldwin's office.

G. County T Corridor Expansion Funding

Kelley and Eau Claire County Highway Commissioner Jon Johnson were also able to discuss the CTH T corridor expansion project while in Washington D.C. On behalf of the stakeholder group, Johnson has submitted a \$10M CDS funding application to Senator Baldwin's office for Phase 2 of this project and also a \$10M Community Project Funding (CPF) funding request to Congressman Van Orden for Phase 2 of this project.

H. Ownership of CTH CC Parcel

Kelley shared a letter report prepared by Knight Barry Title for the property on CTH CC. The report shows that the County is not the owner of record for this property. Todd Pauls, the Chippewa County Corporation Counsel, added that research is being done to determine when the parcel was last on the County tax rolls.

2. Project Manager Report – Fred Anderson

Anderson gave an update on the design status and construction timeframe for the County's Federal and State funded projects.
