**STATEMENT OF EXPLANATION**

Ordinance No.

**ORDINANCE TO AMEND SECTION 58-34(A) OF THE CHIPPEWA COUNTY
CODE OF ORDINANCES REGARDING NO PARKING ZONES**

1 This ordinance amendment addresses necessary changes to parking regulations along
2 County Trunk Highway S (CTH S) to improve safety conditions following the recent re-opening of
3 a restaurant, 1917 Lake Wissota, formerly known as the Waters Edge Supper Club. Increased
4 vehicle parking along the shoulder has led to significant visibility concerns for both drivers and
5 pedestrians, particularly in the section of road between Lake Wissota and CTH O.

6
7 In response, the Chippewa County Highway Department conducted a thorough review of
8 sight distances at driveways and intersections along this corridor. The findings confirmed that
9 parked vehicles are obstructing visibility, creating a hazardous environment for traffic and
10 pedestrian movement.

11
12 To mitigate these safety risks, new no-parking zones are being proposed in critical areas
13 along CTH S. Additionally, in support of the restaurant's parking needs, a portion of an existing
14 no-parking zone will be removed near 1917 Lake Wissota. This location was also evaluated and
15 determined to have sufficient sight distance under the proposed changes, allowing for safe
16 parking without compromising roadway visibility.
