Process for Handling Claims Against the County

WMMIC – Wisconsin Municipal Mutual Insurance Company

- Chippewa County is part owner of the insurance company, Wisconsin Municipal Mutual Insurance Company (WMMIC), which provides liability protection to the county. This includes general liability, auto and public official's errors and omissions coverage along with actions such as employment practices, auto accidents, law enforcement liability, ministerial and discretionary acts completed by our employees and elected officials.
- Chippewa County has been a founding member since WMMIC was formed in 1988.

Deborah Blevins – Corporation Counsel Legal Assistant

- In addition to general duties with the Corporation Counsel office, Blevins manages the liability insurance for Chippewa County.
- Since 2019, Blevins has served as Chippewa County's official representative with WMMIC and also serves as a member of the WMMIC Claims Committee.
 - Attends WMMIC's quarterly meetings and yearly board meetings.
 - At the quarterly meetings, all members are present for each committee meeting (Claims, Underwriting, Finance, and Board of Directors), thereby affording everyone a clear understanding of what is happening within WMMIC.
- Processes and administers all claims (personal injury, vehicle, volunteer, etc.) for County (except workers comp)
- Drafts/Presents resolutions for allowance/disallowance of claims to Executive Committee and County Board
- Works with insurance carriers to recover funds for damages caused by third parties (prepare small claims actions).

Chippewa County Ordinance

Ordinance Sec 2-60(l)(3) Meetings of the County Board:

- Payment of claim against county. The Executive Committee is authorized to settle claims not to exceed \$10,000 as provided in Wis. Stats. §59.52(12)(a). The Corporation Counsel is authorized to settle claims not to exceed \$500 as provided for in Wis. Stats. §59.52(12)(b). When any claim against the county is allowed by the Board, it shall be the duty of the clerk to prepare a warrant or order on the treasurer for payment of the claim, such warrant or order to be signed by the clerk and countersigned by the Administrator.

Resolutions to Allow or Disallow a Claim

- When claims are brought to the Executive Committee/County Board for allowance or disallowance, the matter has been thoroughly investigated by Blevins and the WMMIC Claim Representative. Discussions on the matter have taken place and relevant state statutes have been reviewed with regard to liability, if any, for the County.
- Notices of claim are presented to the County Clerk who then forwards them to Blevins. From there Blevins enters the claim into the system for the insurance company who then assigns an adjuster. WMMIC will then research it and provide a recommendation.
- If the County Board approves disallowing a claim, that simply limits the amount of time the claimant has to file a lawsuit, it does not otherwise prohibit the claimant from filing a lawsuit. The timeline for filing a lawsuit reduces from the time allowed under the applicable statute of limitations for the particular claim down to 6 months.

Risk/Consequences of Not Following WMMIC's Recommendation

If Chippewa County does not follow the recommendations of the Wisconsin Municipal Mutual Insurance Company (WMMIC), several concerns could arise:

- **Increased Financial Exposure:** Failure to comply with WMMIC's recommendations may leave the county vulnerable to costly lawsuits and liability claims. This could significantly increase the county's financial burden, as WMMIC may not cover claims if the county is found to have neglected risk management advice.
- **Loss of Liability Coverage:** If Chippewa County repeatedly ignores WMMIC's advice, there is a risk that the county could lose its coverage or face higher premiums, affecting its ability to secure adequate insurance in the future.
- **Potential Legal Consequences:** Ignoring WMMIC's guidance could result in non-compliance with state laws or regulations, exposing the county to legal penalties or sanctions.
- **Strain on County Resources:** Without proper coverage or by facing more claims, the county's resources could be diverted away from other important services to handle litigation or pay for damages out of pocket.

It is essential that Chippewa County maintain alignment with WMMIC's recommendations to mitigate these risks and protect both the county and its employees.
