The **mission** of this committee is to:

- A. Assess the strengths and challenges of Chippewa County EMS services.
- B. Review other county and municipal EMS models.
- C. Develop recommendations to ensure sustainable and effective EMS operations over the next decade.
- D. Establish an action plan for the implementation of these recommendations

Adopted by the Chippewa County Board per Resolution 39-25

Chippewa County shall attempt to provide reasonable special accommodations to the public for access to its public meetings, provided reasonable notice of special need is given. If special accommodations for a meeting are desired, contact the County Clerk's Office at 726-7980.

Members of the Chippewa County Board of Supervisors who are not members of this committee are entitled to attend this meeting. It is possible that the attendance of one or more such nonmember Supervisors may create a quorum of some other county board committee, board or commission. Such a quorum is unintended and the nonmember Supervisors are not meeting for the purpose of exercising the responsibility, authority, power, or duties of any other committee, board or commission.

AD HOC EMERGENCY MEDICAL SERVICES (EMS) STUDY COMMITTEE
June 4, 2026 – 5:30 PM

STATEMENT OF EXPLANATION

Reports

5.1 Presentation of Data Collection

Description: Garrett will present the results of the completed data collection from the Emergency Medical Services Briefing Report: Assessing Systemic Risk in Chippewa County, summarizing key findings and insights derived from the analysis.

BUSINESS ITEMS

6.1 Discussion of Possible Interventions

Description: Discussion of potential intervention strategies in collaboration with active EMS members throughout the county, incorporating their field expertise and real-time insights. Emphasis will be placed on identifying practical and responsive approaches that align with existing EMS operations and community needs. Input from EMS personnel will inform decision-making, ensure feasibility, and support coordinated implementation across agencies.
